

Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Friday 26 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Dry and bright days with overnight frosts and fog.

Today:

Any morning fog patches will soon clear to leave a fine and bright day with plenty of sunshine. It will stay mild with light winds. Maximum temperature 12 deg C (54 deg F).

Tonight:

Remaining dry this evening with clear skies overnight. Feeling chilly with light winds allowing for frost and localised fog patches to form. Minimum temperature -1 deg C (30 deg F).

Saturday:

Any early fog patches will quickly clear, leaving another fine and sunny day with light winds. Feeling mild by day, with frost and fog patches developing again overnight. Maximum temperature 13 deg C (55 deg F).

Outlook for Sunday to Tuesday:

Dry on Sunday with some sunny spells. Perhaps turning cloudier on Monday and Tuesday with sunny intervals. Fresh winds in the far west. Mild days with overnight frosts.
